

## Conference

**We are not ready for the joint replacement!**

**Autologous bone marrow stimulation and articular cartilage repair with multilayer membranes**

**October 25, 2019 Europa Royale Kaunas, Conference Hall (Miško str. 11, Kaunas)**

### Program

**9:00 - 10:00** – Registration

**10:00 – 10:10** – *New opportunities for articular cartilage and subchondral bone regeneration.*

**10:10 – 11:00** – *MaioRegen rationale and features, clinical indications and experience. M. Zagallo;  
G. Scarpato.*

**11:00 – 11:30** – *Articular cartilage reconstruction with Chondro+ multi-layered membrane and bone marrow stimulation in knee joint. Prof.R.Gudas*

**11:30 – 12:00** - *Arthroscopic articular cartilage reconstruction with multi-layered membrane and bone marrow stimulation in ankle joint. V. Kimtys*

**12:00 – 12:30** – *Coffee break*

**12:30 – 13:00** – *Arthroscopic cartilage reconstruction in other joints. Prof.R.Gudas*

**13:00 – 13:30** – *Regeneration of articular cartilage using advanced therapeutic medicinal cellular products. J. Mačiulaitis*

**13:30 – 14:00** – *Can we delay hip replacement with hip arthroscopy? Dr. V. Loiba*

**14:00 – 14:30** – *Physiotherapy guidelines after articular cartilage repair. Dr. L. Šiupšinskas*

**14:30 – 15:00** – *Discussion, questions, closing remarks, take home message.*

Registration: [info@abili.eu](mailto:info@abili.eu)

The participants of the conference will be issued certificates of qualification improvement.
